

Game-changing uPVC window solutions

A photograph of a modern interior space, likely a lobby or hallway, with large glass windows and a white pillar. The floor is made of light-colored stone tiles. The text "Smarter products. Superior services." is overlaid in white on a dark blue rectangular background in the center-right of the image.

Smarter products.
Superior services.

Presenting

ZYLOS

uPVC WINDOWS AND DOORS

As India's largest window manufacturer we are poised to harness our unique advantages with rich expertise spanning 25+ years.

Backed by a highly competitive research & development team, technologically-advanced fabrication facilities and a large technically-trained installation team, we are indeed equipped to redefine end-to-end uPVC window solutions.

NCL Zylos uPVC Windows and Doors are made with uPVC profiles manufactured at state-of-the-art manufacturing plant that conforms to the highest quality standards and international class.

End-to-end solutions

One-stop-destination from start to end ensures peace of mind.

Site visit

Our very own team of trained window experts visit your site for a briefing and recommend suitable options.

Design

Once the option is finalized, the team swings into action with suitable designs.

Colours

Choose your colours depending on your favourite shades and interiors.

Customization

Whatever be the size, shape and choice of colour, rest assured you'll get it.

Fabrication

With 13 company-owned fabrication units, every window is fabricated in state-of-the-art facilities.

Installation

An army of fully-trained professional technicians ensure the windows are installed to perfection.

Post installation service

A team of technicians visit the site again to ensure the windows perform just the way they ought to.

Rating quality of service

Share your feedback and service rating, for, that's what motivates us in our journey of excellence.

uPVC
new age
choice

Today uPVC windows and Doors are changing the landscape of modern India.

From smart high-rises to villas. From renovated bungalows to office spaces. The sheer adaptability to a

variety of structures is making uPVC the popular choice of builders, interior designers and independent home owners.

At the forefront of this revolution is **Zylos uPVC**

Window & Door Systems from the house of NCL Buildtek.

Crafted
passionately.
Installed
perfectly.

Zylos uPVC Windows and Doors are a fine combination of technical brilliance and aesthetic appeal. While the beautifully crafted windows add style and grace to your structures, the technical brilliance provides every window with enhanced durability, energy-efficiency and eco-friendliness.

Additional features include

- Weather-resistant
- Block rainwater seepage
- Sound insulation
- Storm-resistant
- Maintenance-free
- Termite-proof
- Prevents dust accumulation
- Saves energy
- Easy customization
- Enhanced durability
- Classy looks

**What
you buy is
as important as
whom you
buy from**

Though it's hard for the common eye to differentiate uPVC profiles and how they are made, Zylos uPVC from the reputed house of NCL Buildtek makes all the difference. With a proven track record as manufacturers of a wide suite of building materials,

NCL Buildtek is what separates the best from the rest.

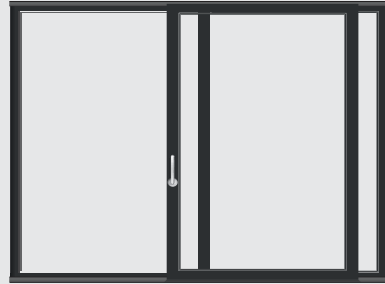

- India's largest window manufacturer
- 25+ years of experience and expertise
- Proven systems and fully trained team of technicians
- Stringent quality procedures
- Zero tolerance to errors
- Pan-India sales and service network
- 13 fabrication units across India

SPECIALITIES

ARCH WINDOWS

NCL Zylos I-60 Casement profiles have the flexibility to be bent into arch shapes, giving a traditional look to the building. Our in-house arch-bending facility fabricates arch windows with options of single and double glazing.

TILT & SLIDE DOORS

NCL Zylos Tilt & Slide Doors offer a grand view, while giving the option to tilt and slide the doors behind the fixed panel, for maximum ventilation.

The door system is in I-60 Casement Series with European hardware, making it reliable, soundproof and secure.

TILT & TURN WINDOWS

NCL Zylos Tilt & Turn Windows provide an avant-garde look to your house. They are inward opening, available in I-60 Casement Series, and ensure good ventilation.

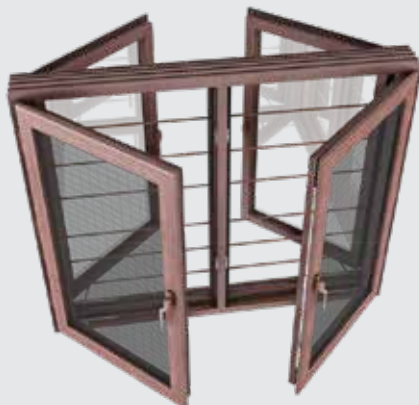

They provide a higher degree of flexibility, suitable for any building type.

SLIDE & FOLD DOORS

NCL Zylos Slide & Fold Doors offer a premium look with maximum opening space, which can be integrated into your balconies or terraces.

The window system is available in I-60 Casement Series with German hardware.

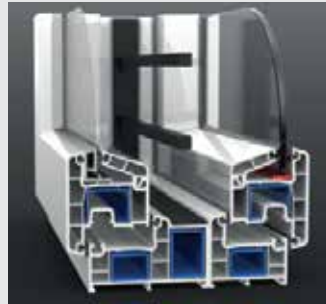

TWIN SASH GRILL & MESH WINDOWS

NCL Zylos Twin Sash Grill & Mesh Windows are aesthetically superior. Available in I-60 Casement Series, they come with multi-point locking hardware that provides safety and security, and keeps insects out. There is also a grill-only option without a mosquito screen.

NCL Zylos *advantages*

No outsourcing of installation.
No third-party excuses is what makes NCL Buildtek truly a one-stop-destination for uPVC windows resulting in the very best of window solutions.

- Profiles come from a state-of-the-art manufacturing facility and bears the inimitable quality of NCL Buildtek
- Own fabrication units allow a high degree of design flexibility and perfection to window sizes
- Large team of trained technicians ensure every window is fitted with perfection thus giving you higher value and absolute peace of mind along with speed of installation
- Customized solutions ensure every window is a masterpiece and exacting standards as per customer requirement
